rballyservices@gmail.com

Based in Kelso in the Scottish Borders, **Russel Blood Rally Services** has been supplying safety, signs, decals, numbers and banners to many motor sport events throughout the country for several years. Being involved in organising events for nearly 40 years, I understand the planning issues you all have with your events, so if I can help to take some of that pressure away, I would like to take this opportunity to offer my services.

I currently carry a large stock of all the safety signs, arrows and control boards used in motorsport and therefore can be quite competitive on prices. Event specific signs can also be produced. All signs are supplied on 4mm fluted plastic

Decals are supplied printed on a removable vinyl and therefore leave no residual glue on the vehicle when removed after the event.

Please contact me for any further requirements including banners, tape etc.

7 From Willie Keaning 18 June

Hi Lock, attached are the results for the inter-association autotest held last weekend. Unfortunately a breakdown for Warren Gillespie left us out of the running but we were still there and representing our country and association with, for the first time in recent history, an all scottish team.

The Scottish team were Warren Gillespie (Nova), Kelsey Gillespie (Nova) and Willie Keaning (RAW Striker) all from South of Scotland Car Club.
