

## **Guyson Scottish Sprint and Hillclimb Championship Report SACC Meeting 20<sup>th</sup> February 2018**

The Championship Committee has changed again following the resignation of the Sprint Co-ordinator, David stepped in last year after a snap resignation and help us through 2017 bringing his expert IT knowledge to improve the scoring/results system.

Our new Co-ordinator brings a wealth of organisational expertise to the position and we will meet next Month to discuss further enhancements.

The Committee will consider a new 5 year plan that will involve improved communications through a new web portal as well as upgrades to the social media channels which are at the forefront of any club these days.

Championship regulations have been approved by the MSA and entries have started to come in, closing date is the 9<sup>th</sup> March and the Committee sits on the 10<sup>th</sup> to approve the entries.

The Championship supports the clubs at all levels and is in a healthy financial position thanks to the long term support of it's sponsors.

We have an extra event in this years calendar with a view to reviewing the event for permanent inclusion after this year.

Full details are available on the website.
