

SACC RTT Championship 2014

End of season Report

The fourth and final round in the championship was held at Skeabost near Portree on Skye. The course was a forest track approximately 1.9 miles in length and was very fast. The weather was superb all day, dry sunny and warm, a complete contrast to Round 3!

Eleven of our registered competitors were on Skye to contest the event, and all managed to score a competitive run.

The Championship Awards were presented at the event prizegiving in the Shinty Club in Portree in the evening.

Results and Award winners are shown on the next page.

We had 13 registrations of which 11 scored points, the most popular class was Class 4 (two wheel drive 1600 to 2000cc) with 7 registrations

The Championship has been quite a success for its inaugural year and we are now looking forward to an even better one in 2015. Mull Car Club have promised that they will definitely run so we will have a full 4 round championship. The Provisional Championship dates are: -

Mull	4 th or 11 th April
Fort Augustus	16 th May
Coneyhatch	18 th July
Skye	19 th September
