New News

News articles are now the main feature on the front page, instead of on a separate News page. We display the title and introduction for each of several articles to get the visitor interested, click [More...] to read the full article.

This replaces a separate news page and of a list of titles in a sidebar on the front page.

New page added for Newsletter archive.

Mailing Lists

We are now using a Google Groups "SACC News List" for SACC mailings with notice of meetings and the new Newsletter. This helps avoid problems with hitting limits of how many emails you can send in a day, how many copies of an email, etc., and allows shared updating and shared posting.

Facebook

The three strands of our social media campaign continue to grow their audiences on Facebook.

[Scottish Association of Car Clubs](#) page now at 670 likes

[Scottish Marshals](#) page now has 650+ likes

[Scottish Navigational and Road Rallying](#) group now has 259 members.
