

Speed Events Committee – 16th June 2015

1. The Autox/Rallyx Sub Committee were meeting on 22nd July to consider N 5.5.4 Definition of a SuperCar in Rallycross. We met and agreed but now in further discussion. Also agreed to look at the ongoing query regarding door bars
2. Tyre Smoke – Seeking guidance from Medical Commission particularly in connection with Drifting
3. S11.6.1/S11.6.2 List 1B Tyres
130 responses only 1 in favour Proposal is withdrawn.
4. Sprint & Hill Climb Sub Committee – items for consultation
S7.1.5 restricting competitors driving racing and sports libre cars to a National A licence
S9.3.1 spinning of wheels
The amended proposals were put out for consultation ending 31 August and I understand that there has been considerable discussion among Scottish Competitors. I hope that they have taken advice and formally responded to the consultation
5. Drag Race Sub-Committee – issues discussed
Noise levels with junior dragsters
Lack of Scrutineers
Helmet Removal Systems – to discussed with Technical
Concussion – ACU have made recommendations. Been discussed at Council but no regulations made
6. Proposals are being progressed to bring Drifting into Blue Book

Next Meeting is in 2016
