Mailing List

Information since last newsletter/meeting has been sent around the mailing list. Thanks to SMS who have provided a lot of information to share. Ignition Motoring festival ticket offer and BTCC club promotion opportunity are excellent for both your club and members.

Can I please ask that clubs continue to share the information from the contact through to your members?

Newsletter

A number of factors have resulted in delays in producing the last two (sorry...)

Changes are being made to try and keep it fresh and a suitable tool for relaying information from the association plus club and event news. Features on clubs have been included and now information on different disciplines. Thanks to the individuals who have come forward with information, there is still some areas of the sport who have sent no information to be included. Newsletter

Newsletter emailed to mailing list and also uploaded to ISSUU an online publication page plus SACC website.
