

2013 MSA Inter-Association Road Event 16th/17th November 2013

Early Winter Navigational Rally – Scottish Borders

Preparations are now well underway for this year's Inter-Association Road Event – the **Early Winter Navigational Rally** on the night of **16th/17th November 2013** – hosted by **Border Ecosse Car Club** on behalf of the **Scottish Association of Car Clubs**.

As the only road event in the UK with entries **open to members of clubs from all 13 regional associations**, BECC look forward to welcoming rally crews from across the country, to the roads that since 1997 have been made famous by our very own **Jim Clark Rally** – the only closed-road stage rally in mainland Great Britain.

Participants can look forward to **180 miles** of the finest country roads in the Scottish Borders, all on **Map 74**, with a Kelso-based **start at 19.30** and **finish by 06.00**, and **halfway fuel halt**, all for a **£50 entry fee (inc. "Full Scottish" breakfast!)**.

With the event's Navigational Rally permit meaning **more technical freedom than road rallies** on the likes of engine and bodywork/trim, and the all-smooth roads meaning **no underbody guarding is needed**, the event is open to all vehicles from **standard road-going to stage-prepared cars**. However, the traditional Scottish "**plot & bash**" navigation means that it will be the best crew, and not car, that is likeliest to take the spoils.

Expert crews are encouraged to **represent their region**, and battle it out to see which really is the best at road events. The competition is already shaping up nicely, with expressions of interest from as far afield as **Northern Ireland** and **South East England**, meaning the **60-car entry list** is likely to fill up quickly. So be sure to get your entry in, for what promises to be one of the best road events of the year!

Event regulations and opening of entries are expected to go live in mid-August. Please keep an eye on www.borderecosse.com and www.scottishcarclubs.com for full details.
